After Church Receptions
& Weddings

Guide for future bride and grooms.

How does it work?

T2 Coffee Van sets camp in the church yard and starts greeting the guests as they come out of the church, offering them coffees and treats. Your guests can choose from our range of barista style coffees, be it a classic Americano or a decaf Latte Macchiato with almond milk. We also have teas and herbal teas, hot chocolate, flavours and we can provide a wide range of fresh treats for your guests.

Apart from the caffeine kick it provides, the after church coffee reception is usually a nice moment for everyone to come together, relax and take some photos with the bride and groom, and with our van - we love seeing your photos on Instagram!

- We do have a canopy should it rain, so we have you covered in all weather
- We stay there for as long as it is required or until the last guest has left the location
- We bring our own bins and make sure we leave no trace after we are done
- We do have our own power supply, but we appreciate if we can use a plug from the church

How to book?

Easiest way to get a quote is to send us a message using the form on www.t2coffeevan.com. Based on your location and number of guests, we will get back to you with price for your wedding. Alternatively, you can contact Leo directly via phone or email.

- Our prices start at 550 Eur for a 200 wedding guests, coffee and Artisan Chocolate Chip Cookies included
- You can choose just the coffee package (no treats included) or you can select different treats (cupcakes etc.)
- In some cases, travel fees may apply
- We recommend checking with your Parish before confirming the booking
- In order to save the date, we require a 20% deposit, payable via bank transfer or PayPal. The remaining amount is due 2 weeks before the wedding. Once we receive your deposit, we'll send you an invoice

We think that a freshly brewed cup of coffee can put a smile on almost every face, be it at the beach or in the middle of an eventful day, such as your wedding day!
